**HELP PRESERVE
LONDON'S NATURAL AREAS (ESAs)
DONATE A PLANK**

YES I want to donate a plank(or planks) for the construction of boardwalks in one of London's ESAs (Environmentally Significant Areas). I know that by helping to make these boardwalks available for visitors to use, I am helping to protect the homes of plants and animals and so ensure that these special places will be here for my generation and future generations to enjoy.

I wish to donate plank(s) at \$25 each. My total donation is \$ _____

(If paying by cheque, please make cheque payable to The Rotary Club of London West Foundation and mail to Karen Auzins, 3207 Woodhull Road, London, ON N6K 4S4)

Please engrave the following name(s) on the plank(s) that I have donated. I understand that these planks will be used for construction in an ESA by Upper Thames River Conservation Authority in the summer of 2013.

Plank #1: _____
Name (please print in block letters)

Plank #2: _____
Name (please print in block letters)

Plank #3: _____
Name (please print in block letters)

Yes I want a tax receipt

Yes I want a certificate for each of the names above

Please mail my tax receipt to:
